Greetings from Innovation Academy!

Students, don’t forget: Advance Registration for Summer B and Fall begins today!

Tuesday, June 10, 2014
Don't miss this year's Innovation Showcase, CATALYST!
Enjoy some refreshments, support your friends and fellow IA students, & experience firsthand the
talent and potential of our IA Gator Innovators!

CATALYST is a showcase of outstanding student teams and their creative solutions. This
showcase serves as the culminating event for the Creativity-in-Action course. All student teams
will display a prototype of a product, service, model or other item they have developed in a team
environment utilizing the IDEO creative design process as part of their Innovation Minor
coursework. You will have the opportunity to see prototypes with the potential to improve lives
and create a more sustainable world — many of which are being showcased for the very first time.
The exhibiting team members will be ready to showcase and demonstrate their ideas, your
questions are encouraged!

Stay as little or as long as you would like!

Don't miss Wolf to Woof: The Story of Dogs

“Wolf to Woof” is the world’s largest exhibition on the history, biology and evolution of dogs. This family-friendly exhibit reveals the fascinating history of dogs, their connection with wolves and their journey from wild canines to our beloved companions.
what makes them man’s best friend. Four themed areas feature artifacts, multimedia displays, photo-murals and dioramas on wild canines and modern dog breeds. Explore interactive hands-on components such as a “howling area” and “guess what dogs are saying” activity, or go nose-to-nose against a dog’s great sense of smell. Learn how dogs have secured a special place in human society as an incredibly diverse and versatile species, serving as hunters, herders, guards and companions.

Cost: $6 Students and FL residents, $4.50 children, $7 Adults.
